

THE MOORE LEGACY FOUNDATION, INC. SPONSORSHIP PACKAGES

Our technology and social activities are developed using an interactive learning approach; that includes working in teams and peer-to-peer interaction. Our programs consist of technology projects, critical thinking, soft/personable skills, and tutoring services. With your support you we can provide broader educational services to students across the Greater RVA Region. With your support of TMLF, Inc we will recognize you and/or your organization as sponsor on our website and publications. TMLF, Inc is a Federal 501©3 which means your support is fully tax deductible. Here is what your donation can do for students:

5 Connection Workshops & Sessions (Oct-Dec)- Your donation of **\$325** will sponsor one student for monthly workshop sessions. During these sessions students will work on various technology, social and civic projects. All donations go towards educators, equipment, books, and food services. **Sessions will be held at various locations in Greater RVA Region.**

6 Connection Workshops & Sessions (Feb-May)- Your donation of **\$450** will sponsor one student for monthly workshop sessions. During these sessions students will work on various technology, social and civic projects. All donations go towards educators, equipment, books, and food services. **Sessions will be held at various locations in Greater RVA Region.**

12 Connection Workshops & Sessions (Oct-May)- Your donation of **\$750** will sponsor one student for monthly workshop sessions. During these sessions students will work on various technology, social and civic projects. All donations go towards educators, equipment, books, and food services. **Sessions will be held at various locations in Greater RVA Region.**

Educational Support Services (Oct-May)- Your donation of **\$825** will support the TMLF, Inc tutorial and educational support services than run from October-May yearly. Parents will have the ability to sign students up for Math and English tutorial services as needed. We will tailor all sessions to accommodate student needs. All donations will go towards supply tutors, training aids, books, and equipment. **Sessions will be held at 1700 Blair Street Location Monday-Friday 3pm to 7pm.**

STEM Summer Program- Your donation of **\$1200** will sponsor one student for our annual summer STEM Camp. For a period of 2 weeks students will engage in various STEM Projects. Each student at the conclusion of camp will be given either a desktop or laptop computer to take home. All donations will go towards educators, training aids, books, and equipment.
